Listening Guide
Oral History

1) How many voices do you hear?

2) Why do you think the makers of the video might have chosen to show the footage of the pond?

3) What are some of the ways that people have used and enjoyed the pond?

4) What are some concerns about the condition of the pond?

5) Do all the voices put together make a story? Why or why not? Can we consider this video a piece of history? Why or why not
